

# International Delegations At Collision

**COLLISION** TORONTO  
JUNE 17-20, 2024

# COLLISION 2024

We're delighted to welcome international delegations from all over the world to our Canadian home to connect with attendees, discover inspiring talks, and generate new enterprise opportunities.

Delegates can enjoy dedicated lounge and networking spaces. They will also benefit from our event app, using it to contact attendees of interest before and after the conference, leaving more time to meet and greet on the event floor.

Ready to be inspired once again by what Forbes calls "North America's fast-growing tech conference"?

partners

# WHAT YOUR TICKET GETS YOU

## Deal-making with leading entrepreneurs

Collision gathers leading delegates, startups and entrepreneurs from all over the world – and they're all here looking for their next big opportunity. Get in the same room as the people making the deals. Enjoy the benefits of meeting global exhibitors on the event floor and in dedicated meeting spaces.

## Connections with attendees

The conference is buzzing with the energy of thousands of investors and tech enthusiasts looking to learn from others and build out their contact books. Use the event app to find attendees you'd like to speak to and arrange meetings in your personal calendar, then hit the event floor to make new connections.

## Exciting stage content and beyond

Our content tracks cover every industry disrupted by tech. Marketing, politics, health, fintech and lots more are all on the agenda. Whatever your interest, there's a track for it. We also have masterclasses, roundtable discussions, Q&As and more to keep you in the conversation about what's defining the next generation of ideas.
